

1 minute mobi movies

South East Dance challenges **YOU** to create a 1 minute dance for camera video on your mobile phone, camcorder or digital camera

- Location
- Cast
- Costume
- Sound/music
- Camera angles
- Number of edits
- Subject matter ...are all up to you!

You can make the video with a group of friends or on your own

Upload your video to www.youtube and use the Send Video tool to send us the link along with the name(s) of who made it and your ages, where you live, what inspired you to make this video and a contact email address.

Deadline for video applications: Thursday 27th November.

A panel will select a shortlist of videos to be screened at the Dance for Camera Festival and the winner will receive a prize of an i-pod.

Rules:

- Applicants must be 21 or under on the deadline date
- This competition is about providing a platform to show what can be achieved through imagination and creativity rather than high quality professional level equipment. Therefore videos must be filmed on mobile phones, digital cameras, camcorders or other home use hardware.
- Applicants must be resident in the UK
- Shortlisted applicants must provide e-mail a link to their submitted video
- By submitting a video applicants agree to have their video shown in public at our Dance for Camera festival and to be presented online on South East Dance's (or our partners') websites
- No fees will be payable
