

Amanda Pritchard
Communications and Marketing Volunteer (moving Voices)

Amanda has recently completed an Organising Live Arts BA (Hons) Degree from Rose Bruford Drama College in Sidcup. While studying at Rose Bruford Amanda was able to develop her interpersonal skills by gaining experience in different areas of events. This included Project Managing two 'Oscar' themed film festivals with a secondary school in her local area, working as a Project Coordinator for Trinity Theatre, Tunbridge Wells in the Education Department, taking part in the running of an 'OLA' in house season at Rose Bruford and working as a Front of House Manager for a European Theatre Arts show.

Amanda's passion for events and the arts has continued to flourish through the last three years by being able to gain experience in different areas. She is thrilled to have the opportunity to work as Communications and Marketing Volunteer at South East Dance and can't wait to become more involved in the *moving Voices* project.

In her spare time, Amanda enjoys travelling, boogiebox, socialising with friends and reading.
