

Comments from workshop participants

Flourish September – December 2009

'An amazing and very current choreographer, inspiring movement, fantastic class and choreography, was worth the travel.'

Rafael Bonachela Workshop

'Really good workshop, nice to have something outside of London with professional company.'

Rafael Bonachela Workshop

'Excellent specialist knowledge and advice - good to get to know local reps.'

Project Development Day

'It was a very useful workshop. All the information was very "articulately" expressed and we were handed out very useful information and sheets. Good structure of the day. Brilliant! Very inspiring and first of all, very useful information.'

Project Development Day

'Great - very appropriate professional development. Fantastic delivery, fun - More!'

Wally Cardona Laboratory

'Very informative and inspiring, great laid back environment, very welcoming.'
