

Attention All Dancers

A new and vibrant agency is about to be launched specialising in the provision of physical performers for a wide range of events including promotional events, tradeshows, catwalk, cabaret and stage performances.

H2oh! Dancers will be launched in early 2008 and we are looking for people to join our books.

H2oh! Dancers is an expansion to the very successful circus and street entertainment agency **H2oh!** www.h2ohonline.co.uk

Run by dance professionals and performers, **H2oh! Dancers** will provide a unique personal service for both its clients and its members.

Postal applications are being accepted now from professionally trained dancers/acrobats/choreographers/teachers with experience in a range of dance styles.

If you would like to be considered please send the following items by **December 20th 2007** to:

Emma Hollings
H2oh! Dancers
39 Vine Street
Brighton
BN1 4AG

- CV, with a covering letter informing us what categories you fall under e.g.: performer, teacher, workshop leader, choreographer, and whether or not you have any specialist skills (acrobatics/working with people with special needs etc)
- Photos (10 x 8 Head and Shoulders, plus any other images)
 - DVD or other promotional material

Auditions will be by invite only! We will be contacting those selected from the postal applications in the New Year to attend an audition, in London, at the end of January.

If you **ONLY** want to be considered as a teacher, and **NOT** a performer, please mark this clearly on your application. You will not need to attend an audition, although we may ask to meet you in person at some point, or ask to observe a session taught by yourself.

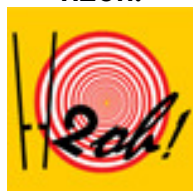

We are also particularly interested to hear from anyone with a Burlesque act, or those willing to be part of a Burlesque group.

For more information about the agency or the application process you can contact Emma at h2ohdancers@gmail.com

Please feel free to forward this to anyone you think may be interested in being considered for **H2oh! Dancers**.

Kind Regards

Hannah, Helen and Emma
H2oh!
