

Mary Sheppard

Trustee

'Dance is a source of joy and growth for all involved in it. South East Dance works with an amazingly wide range of people and achieves excellent standards of quality and development both locally and internationally and I am pleased to support them.'

Mary has thirty years of experience of accounting in business and for the past sixteen years has worked in Financial Services as Head of Finance for Family Investments in Brighton. Previous roles in the UK and elsewhere have been in the aviation and construction industries.

In addition she has experience of the governing boards of a Further Education college and two professional accountancy bodies.

Mary contributes her experience in finance, corporate governance, trusteeship and people management.

Mary is a Fellow of the Chartered Institute of Management Accountants and is a member of that Institute's governing Council.
