

Evelyn Sharp
Finance Manager

After training in graphic design, design communication and networking Evelyn worked as a website designer for 7 years. She then moved into finance and in June 2005 qualified as an Accounting Technician. Evelyn has worked in accounts in the Brighton area for the last 5 years, progressing from Accounts Assistant to Accounts Manager, and joined South East Dance in 2007 as Finance Manager.

Evelyn is a fully qualified Accounting Technician, a member of the Association of Accounting Technicians (AAT) and a mature student member of the Association of Certified Chartered Accountants (ACCA). She plans to continue her studies to achieve full membership of the ACCA in the near future.

Originating from South Africa it's important to Evelyn that people are treated equally and that she can contribute by putting something back into the community. Working for a cultural organisation helps Evelyn achieve this. She also has a particular interest in art and dance and has enjoyed Salsa and Meringue lessons for many years.
